LUBRICATION ENGINEERS, Supports Green Award ships

SHIPPINGnet.EU July 5, 2017 Companies, Organizations, Product & Services

 **Lubrication Engineers SA** (South Eastern Europe) supports **Green Award** certified oceangoing ships and as of July 5, 2017 provides a **5% discount** for **Green Award** certificate holders on all **Lubrication Engineers, Viper, ARS** (Asset Reliability Solutions) and **OSEI** (Oil Spill Eater Bioremediation Products) products & services.

- **Lubrication Engineers SA** serving **South Eastern Europe** is a distributor of **Lubrication Engineers International Ltd** with their headquarters in **Reading, U.K.**

Proper lubrication and greasing of on board equipment is essential to safeguard the reliability of operations. **LE's** range of high performance marine lubricants include **Almatek®**, **Almagard®** & **Earthwise™ EAL Greases**. The **VIPER® MKII Wire Rope Lubricator** provides fast and effective cleaning and lubricating of wire ropes which contributes to safe and reliable mooring of a ship.

- Due to the **VIPER MKII** physical characteristics, **HS&E** risks associated with manual lubrication are eliminated. The **VIPER MKII Wire Rope Lubricator** falls within the incentive program for **Green Award** certificate holders.
